You will usually pay brokerage fees to your dealer if you purchase or sell Shares of the Fund on the CBOE Canada Exchange or other alternative Canadian trading system (an “exchange”). If the Shares are purchased or sold on an exchange, investors may pay more than the current net asset value when buying Shares of the Fund and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning units of an investment fund. An investment fund must prepare disclosure documents that contain key information about the fund. You can find more detailed information about the fund in the public filings available at [www.sedar.com](http://www.sedar.com). Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.
